Rebuilding the Community from within the Community

NONPROFIT COACHING & LEADERSHIP TRAINING CONFERENCE 2024

Saturday, January 20, 2024 - 12:00pm PST
2nd Panel on Upcoming Conference

RAISING THE BAR!

Join us as our *Program and Public Policy* interns sit down with our incarcerated brothers at California State Prison Solano to discuss the significance of the empowering conference we are planning. We're going inside America's prisons to change the dynamic of community work and the nonprofit world as we know it!

WHO WE ARE

The mission of the UBFSF is to provide all races a quality education to change political structures and systems that perpetuate poverty and racism. Our programs and initiatives advance education not in the strict sense of "credentialism," rather education as it pertains to "Rebuilding the Community from within the Community" by empowering people to take action in the political transformation of our communities.
